Message from the Principal

Dear CIS families,

It is a pleasure to join CIS as your new Principal. A highlight of my first week was meeting with our parent committee and hearing your hopes for the school. Thank you to families and staff for the warm welcome and your shared commitment to our children's learning.

Our first priorities include strengthening reading and handwriting routines, supported by the textbooks that have now arrived. Families can help by reading together, discussing their favorite books, and encouraging children to write their full names on their homework. We will share further details about classroom routines and weekly book-sharing opportunities soon.
